TicTok & Viivo Eurotype Track & Invisible Adapter

The TicTok and Viivo Eurotype track series enables users to create unique lighting schemes and configurations. Energy-saving, track mounted on a main voltage 3-phase track system, with an integrated driver in the track adaptor - the focus is on eco-friendly design and modularity. The TicTok and Viivo Eurotype track series also includes an invisible adapter option, that emphasizes a compact design and easy current selection via dip switches. This system provides an excellent and flexible accent lighting solution for restaurants, residential spaces, retail, and galleries.

The Eurotype system offers both Casambi and DALI control compatibility. DALI dimmable fixtures can also be operated using Casambi DALI Broadcast.
